

Success of the 1st edition of OUTLOOK™ India 2019 reflects the dynamic growth of the nonwovens hygiene business in India and its awareness of sustainable development requirements

14 February 2019

OUTLOOK™ India, widely acclaimed as the best platform for key nonwoven professionals in the personal care and hygiene products just closed in India on a very successful note.

OUTLOOK™ India was the 1st ever platform of this scale and took place in India on the 12th and 13th of February 2019 in the Leela Ambience Hotel in Delhi NCR. The participants learnt and shared insights on the exciting market potential of India, whilst taking this unique opportunity for networking and doing business.

Organised by EDANA and BCH, who have been partners for 12 years, OUTLOOK™ India 2019
