

# 2017 Nonwovens Innovation Academy - Another successful gathering of the nonwovens research community

27 October 2017

Over 100 R&D and innovation managers, product developers, researchers and students gathered to share knowledge

EDANA is pleased to announce that once again the Nonwovens Innovation Academy (NIA), held from 25<sup>th</sup> - 26<sup>th</sup> October at STFI – Sächsisches Textil Forschungs Institut- in Chemnitz, Germany, delivered on its promise to help connect the industry and the nonwovens centres of excellence, from Europe to the Middle East, India and North America.

Over 100 R&D and innovation managers, product developers, researchers and students, all part of the broader nonwovens community, gathered to share knowledge and seek inspiration to contribute to the effort of the nonwovens industry in creating new solutions
