

Deadline
for applications
10.10.2022

THIRD EDITION

ORGANISED BY  edana™

Three reasons to apply:

- 1 Highlight your innovation and show how it benefits society**
- 2 Reward the efforts made by your company and staff**
- 3 Create a moment of inspiration around innovation and progress in the industry**

The **FILTREX™ INNOVATION AWARD** recognizes the efforts of all manufacturers of nonwoven based filtration products/elements and celebrates their continuous efforts for excellence and innovation.

Visit **FILTREX™**
wepage

CRITERIA

- At least one company delegate must be registered for **FILTREX™ 2022**
- A company may submit up to two products
- Products must be commercially available by the time of submission, and must not have been commercially launched before April 2019

PROCEDURE

- Submit your application form by 10 October 2022, with samples and details where applicable
- EDANA will send you a written acknowledgement of your application as soon as it is received, together with the entry number
- All applications will be treated with full confidentiality
- The panel of judges is composed of independent experts with technical and marketing experience, and a member of the nonwovens press
- A maximum of five nominees will each receive a 10-minute slot during the **FILTREX™ 2022** conference to present their innovation
- Attendees of **FILTREX™ 2022** will elect the winner during the conference

CALENDAR

- 10 October 2022: application submission
- 25 October 2022: judge's decision on nominees
- 8 November 2022: Awards Ceremony at the **FILTREX™ 2022** evening cocktail.

Press coverage

All qualifying entries will be publicized in a special press release three weeks before **FILTREX™ 2022**.
