# IMPERVIUS™

The Bitumen Waterproofing Conference

Don't miss  
the chance to meet,  
engage and network  
with professionals  
in the bituminous  
membranes sector.

18 – 19 May 2022

**Sitges** | Spain

Melia Sitges

EDANA presents a high-level conference and unique business opportunities to support the dialogue across the supply chain of the bitumen waterproofing membranes.

Conference topics include:

- Market trends
- Regulatory / Recycling
- Production technologies
- Finished products
- Trends / Innovation
- Bitumen / Raw materials
