## SWAPCARD

The Symposium is a hybrid event. The event will physically take place at the Lyon Marriott Hotel and for ONLINE participants through the platform Swapcard, where you will be able to follow presentations and network with participants.

All participants will be able to connect/speak and meet whether they are present physically or online, Thanks to the platform!

You will be able to connect to the platform 1 week before the event. Participants will receive an email from the platform inviting them to register on it (check your spam folder as well).

If the email is blocked by your spam filter, you can also register here <https://app.swapcard.com/login> using your email address to connect. When you will connect to the platform and start filling in your profile for the first time, you might be asked to accept the existing information (via a pop-up). If that is the case, please click YES and afterwards you will be able to make the changes if needed.

Should you have any problem with Swapcard, don't hesitate to contact their [support team](#), or [delphine.rens@edana.org](mailto:delphine.rens@edana.org)

For further information on your data processing and your rights, please refer to Swapcard's protection of data policy: <https://www.swapcard.com/gdpr> or send an email to [event@swapcard.com](mailto:event@swapcard.com)

Videos will be available on the platform for you to watch in the help desk session.
