

Durables Steering Group

Role and Responsibilities

What is the role of the Durables Steering Group?

Consisting of senior representatives of EDANA member companies, the Durables Steering Group implements EDANA's strategy and sets the direction for work in the area of nonwovens for industrial or durable end uses. This includes portraying the roles and benefits of durable and industrial nonwovens in a variety of applications to the industry and the greater public. Emphasizing the fact that EDANA is home to all durable nonwovens applications.

Responsibilities

- Develops and maintains a strategy for its area of focus, in line with the overall strategy of EDANA, and shares this strategy and Working Group activities with other Steering Groups
- Reviews and monitors developments
- Defines an annual plan
- Assesses and prioritises any ad-hoc requests and issues
- Proposes or confirms a new Working Group, including its targets and priorities
- Proposes or confirms a change in status of a Working Group
- Ensures Working Group projects or activities have adequate resources and staffing
- Provides information for staff to articulate the working group activities underway
- Evaluates Working Group activities on an annual basis

Reporting Groups

The Durables Steering Group is responsible for the following Working Groups:

- Automotive Nonwovens Working Group
- Bitumen Roofing Membranes Working Group
- Filtration Working Group
- Polyester Nonwovens Waterproofing

Proposed Coordination and Synergies with other Steering Groups

The Steering Group will coordinate issues with and offer support to all other Steering Groups in EDANA.
