

Events Development Working Group

Terms of Reference

What is the Events Development Working Group?

The Events Development Working Group consists of member companies of EDANA, which support and develop the EDANA calendar of conferences and symposia.

Objectives

- To support the development of an events strategy for EDANA to provide education and meeting platforms that ensure the best possible value for members, target industries and the association
- Confirm the proposed function, format and frequency of EDANA events, coverage of the various sectors and scope of the supply chain
- Ensure effective participation, and an outstanding experience for attending companies, and overall attractiveness for visitors

Who should attend?

Every EDANA member company with an interest and expertise in the EDANA events programme, and development of activities to meet the needs of the nonwovens and related industries can express their interest to participate in this Working Group.

Participation in the group is subject to the EDANA guidelines.

Benefits and deliverables

- Support the development of, and direct the programme of EDANA events
